

# MobileOffice D600

## ❖ KEY FEATURES

### Compact design and easy to carry

A6 Size Duplex Color Scanner is a sleek and compact scanning device that has been designed to fit user's scanning job convenience.

### Plastic card scanning

Scans plastic cards up to 1.2mm thick including, credit cards, driver license cards, ID cards, medical cards or membership cards.

### Searchable PDF format

Searchable PDF indicates that the scanned document (result in PDF format) has been processed via optical character recognition (OCR) and you can search the entire file for occurrences of a word or phrase.

### Single touch button design

Nine customizable single touch settings enable you to automate frequent scanning jobs and tasks.

### Hardware Requirements

Pentium® IV 2.4 GHz processor  
 CD-ROM Driver  
 One available USB Port  
 512 MB or higher recommended  
 800 MB free HDD space (1 GB or larger recommended)
